Directions:

Write an essay of 160-200 words based on the picture below. In your essay, you should

- 1) describe the picture briefly,
- 2) interpret the implied meaning, and
- 3) give your comments.

Write your answer on the ANSWER SHEET. (20 points)

范文

This clearly seems to be a picture in which, dressed in a traditional costume of Beijing Opera, a little boy is complaining to his father about his classmates' prejudices against his learning this traditional art of China. (2010 英语一阅读理解 Part B) His father, however, encourages him to cling to what he likes.

Nowadays, **with** people's ever-increasing reliance on modern technology and the prevalence of popular culture, anything astray from the mainstream **is viewed as** obsolete and even abandoned. (2009 英语一阅读理解 Part A Text 3) It seems that it is only one uniform standard and mode that the world urges for. For example, the same curriculum and textbooks are required in all schools and more ironically, students'

hairstyles are identical, too. Nevertheless, people whose thoughts differ from the great majority might be truly the ones who are rich in creativity and are ready to reveal the truth neglected. A great many scientists and sages are among the tiny minority, whose stories always inspire us greatly. **The experience** of Copernicus, Newton, Galileo **all demonstrates the importance of** sticking to what you think is right. (2008 英语一阅读理解 Part A Text 1) They all proposed ideas and theories which were rejected by the mainstream but eventually proved creative and significant.

All in all, **what matters is that** we, as a nation with creativity, are obligated to encourage people to think and act boldly. (2018 英语一阅读理解 Part A Text 3) In addition, schools and institutions **need to put prejudices to one side and take some steps** to render an education based on different individuals and their aptitude successful. (2014 英语二阅读理解 Part A Text 4)

译文

显而易见的是，图片中，一个小男孩穿着传统的京剧服装，向父亲抱怨同学们对他学习中国传统艺术的偏见。然而，他的父亲却鼓励他要坚持自己喜欢的事情。

如今，随着人们对现代科技的日益依赖和流行文化的盛行，任何偏离主流的东西都可能被视为过时的，甚至被抛弃。这个世界似乎只需要一种统一的标准和模式。例如，所有的学校都要求开设相同的课程，使用相同的教科书，更讽刺的是，连学生的发型也是相同的。然而，思想上与大多数人不同的人，可能才是真正富有创造力、能够揭示那些被忽略的真理的人。这些少数人中有许多科学家和圣人，他们的故事总能给人以很大的启发。哥白尼、牛顿、伽利略的经历都证明了坚持自己所认为的正确事情的重要性。他们都提出了一些被主流社会所排斥的观点和理论，但这些观点和理论最终都被证明具有创造性和重大意义。

总而言之，重要的是我们作为一个具有创造力的民族有义务鼓励人们大胆地思考和行动。此外，学校和机构也需要把偏见放在一边，采取一些因人而异的教育措施，因材施教。

某市居民体育锻炼方式调查

范文

Of all the changes that have taken place in body building during the past several years, **perhaps the most far-reaching has been the** different ways city residents choose to take exercise. (2010 英语一阅读理解 Part A Text 1) It is apparent that a majority of people tend to do sports alone, accounting for 54.3% of the total population surveyed. The percentages of those who like to work out with friends or with their family members are 47.7% and 23.9% respectively. The number of people willing to participate in group sports merely takes up the least proportion, 15.8%.

Several reasons are identified for the urban dwellers' different inclination when it comes to the forms of physical exercise, in which the most acknowledged factor is the ever-increasing pace of life and pressure from work, which keeps

people away from family and social life. (2008 英语一阅读理解 Part A Text 2) Eight hours' work of a day, **combined with a rise in** working pressure, **has resulted in** fewer opportunities to work out with others. (2017 英语一阅读理解 Part A Text 1) Working out with family members or participating in group sports might be both time-consuming and inefficient. The popularity of exercising with friends is attributable to the easy access to friends in our busy daily life. You can work out even in work interludes, for your friends, or in another word, your fellow workers are just at hand.

A prediction holds that the future will witness a continuing rise in doing exercise alone because of the current rapid development of the country, together with inevitably continuous busy work in all walks of life. (2017 英语二完形) However, no matter which way you choose, it is essential that you always keep the good habit of exercising.

译文

在过去几年里，在健身方面发生的所有变化中，影响最深远的也许是城市居民选择锻炼身体的不同方式。很明显，大多数人倾向于独自锻炼，占调查总人数的 54.3%。喜欢与朋友或家人一起锻炼的人的比例分别为 47.7% 和 23.9%。愿意参加团体运动的人数所占比例最小，为 15.8%。

城市居民在体育锻炼形式上的不同倾向有几个原因，其中最为公认的因素是生活节奏的不断加快和工作压力的不断加大，这使人们无法参与家庭和社会生活。一天工作八小时，再加上工作压力的增加，导致与他人一起锻炼的机会减少。和家人一起锻炼或参加团体运动可能既费时又低效。与朋友一起锻炼的流行归因于我们在繁忙的日常生活中很容易接触到朋友。你甚至可以在工作间隙锻炼，因为你的朋友，或者换言之你的同事，就在眼前。

有预测认为在当前国家快速发展的情况下，加上各行各业需要不可避免地持续忙碌地工作，今后独自锻炼的人数将继续增加。但是无论你选择哪种方式，重要的是你要一直保持锻炼身体的良好习惯。

习惯

范文

The two pictures **look the same as a whole**. However, **closer inspection reveals important difference** of the two people's habits of doing things. (2010 英语一阅读理解 Part B) In the left picture presented above, a girl, sitting at a desk piled up with books, works diligently on her assignments to reassure herself that everything can be finished in time. By contrast, the right picture indicates that a boy, sitting on his chair lazily, refuses to get down to his work until the last minute.

It is self-evident that the two simple pictures reveal that to cultivate good habits is of top priority to everyone, especially the youth. **The supposed importance of** good habits **derives from** the fact that with the ever-increasing competition and intense pressure nowadays, it is good habits that lead us to the

right path to success. (2010 年英语一阅读理解 Part A Text 3) **A growing number of people are now thinking seriously about** what good habits we need. As to myself, the good habits cherished by all include sense of punctuality, diligence, honesty, responsibility, etc., which in the meantime are essential to a qualified and educated man who wants to achieve his success. **For example**, an unpunctual man can hardly finish any assigned work before the deadline and is always late for everything. (2013 年英语一阅读理解 Part A Text 3) Therefore, the cultivation of these habits must come first as the required course for all the youth before their stepping into society.

In all, it **concludes that** everyone should be conscious of the importance of cultivating good habits. (2016 年英语一阅读理解 Part A Text 3) What's more, the formation of good habits relies not only on self-discipline but also on schools. Therefore, I suggest that schools should take effective measures to help the youth become man with better habits.

译文

总体来看两幅图很相似，但细加审视可以发现，这两个人在做事情的习惯上存在很大的差异。在上面左图中，一个女孩坐在堆满书的书桌前，勤奋地做作业，以保证一切都能及时完成。相比之下，右图显示一个男孩懒散地坐在椅子上，不到最后一刻不开始他的工作。

不言而喻，这两张简单的图片揭示了：培养良好的习惯是每个人，特别是年轻人的头等大事。人们之所以认为好习惯很重要，是因为在当今日益激烈的竞争和巨大的压力之下，正是良好的习惯引导我们走上通往成功的正确道路。越来越多的人正在认真思考我们需要什么样的好习惯。对我来说，所有人都珍视的良好习惯包括守时、勤奋、诚实、负责等，而这些习惯对一个合格的、受过教育、想取得成功的人来说是必不可少的。例如，一个没有守时习惯的人很难在截止日期前完成任何指定的工作，而且做任何事情总是迟到。因此，这些习惯的培养必须首先作为所有青年步入社会之前的必修课。

总之，每个人都应该意识到培养良好习惯的重要性。更重要的是，良好习惯的形成不仅依赖于自律，还依赖于学校。因此，我建议学校应采取有效措施，帮助年轻人成为有良好习惯的人。

范文

Of all the changes that have taken place in various aspects of using mobile phones **during the past** several years, **perhaps the most far-reaching has been** the purpose of using it. (2010 年英语一阅读 Part A Text 1) Among the students' four purposes of using mobile phones in a university surveyed, learning accounts for 59.5%, the largest proportion in the pie chart. Meanwhile, the subsequent purposes, killing the time, an access to abundant information and others, take up 21.3%, 17% and 2.2%, respectively.

What the chart reveals is that of all the purposes of using a mobile phone, studying is the primary consideration of the majority. To begin with, the increasingly fierce competition of society, **combined with** the growing demand of knowledge, **has resulted in** the shift of students' main purpose of using mobile phones from entertainment to study. (2017 年英语一阅读 Part A Text 1) What's

more, **there is no doubt that** the convenience and efficiency of mobile phones **exert enormous influence on** how students learn. (2012 年英语一阅读 Part A Text 1) Students prefer to store information and materials in their mobile phones rather than put numerous books in their schoolbags.

As most people **suggest**, we should use mobile phones reasonably, **but there is more to it**. (2015 年英语一完形) The mobile phone, a modern communicative and studying tool, must serve as the catalyst for the growing demand for learning and the rapid development of the world. I strongly believe that college students can make the best use of the convenience that the mobile phone uniquely has and apply it to all aspects of their life.

译文

在过去几年间手机使用在各个方面发生的变化中，影响最深远的可能就是人们使用手机的目的改变了。在接受调研的一所大学中，学生使用手机有四个目的，学习占 59.5%，在饼图中所占比例最大。同时，紧随其后的目的，包括消磨时间、获取丰富信息和其他目的，分别占 21.3%、17% 和 2.2%。

图表显示，在所有使用手机的目的中，学习是大多数人的首要考虑因素。首先，日益激烈的社会竞争，加之日益增长的知识需求，使得学生使用手机的主要目的由娱乐转向了学习。此外，毫无疑问，手机的便捷和高效对学生的学习方式产生了巨大的影响。学生更喜欢用手机储存信息和资料，而不是把大量的书放在书包里。

正如大多数人所建议的那样，我们应该合理地使用手机，但能做的不止如此。手机作为一种现代的交流和工具，必将成为日益增长的学习需求和世界快速发展的催化剂。我坚信，大学生能够充分利用手机独有的便利性，并将其应用到生活中的各个方面。

范文

The first glimpse of this picture is a sight of two men climbing a mountain in the halfway. (2015 年英语一阅读理解 Part C) One man is obviously energetic and continues to climb while the other one wants to retreat and give up, which comes into a remarkable contrast before us.

The meaning hidden behind the picture is self-evident. What makes a successful man? Great intelligence or personal charm? Undoubtedly, it is far from enough. What truly makes a man successful is persistence and perseverance, which requires him never to surrender under any difficult circumstance. **What is true of the picture is even truer of the real world.** (2016 年英语一阅读理解 Part A Text 2) Thomas Edison, a famous American inventor, can best exemplify this. After many times of failures and setbacks, Edison eventually invented the first bulb in the world, which enlightened the darkness ever since. In this example, we can learn that it is essential that one should stick to his goal rather than giving up halfway. In addition, perseverance **is as indispensable to every young man as vitamin D is to the body.** (2018 年英语二阅读理解 Part A Text 4) Nowadays, a great number of young men are incapable of coping with pressure from every aspect of

society. Only with the character of persistence and perseverance, can they adjust themselves to the real society and eventually achieve their own success.

There is no doubt that in doing things, no matter great or minor, there are more or less some difficulties. However, just as an old saying goes, **every cloud has a silver lining**. (2004 年英语一阅读理解 Part A Text 3) It is obvious that if anyone wants to achieve success, persistence is the only hopeful path. Therefore, as long as you persist for a little while, the light of success might reveal itself before you.

译文

第一眼就可以看到图片当中有两个人爬山爬到半途。其中一个人显然精力充沛，坚持继续爬山，而另一个人却想要退却甚至放弃。这两种态度在我们面前形成了鲜明的对比。

图片背后隐藏的含义是不言而喻的。是什么成就一个人的成功？过人的智商，或者是个人的魅力？毫无疑问，这些还远远不够。真正使人成功的是坚持和毅力，这需要一个人在任何困境中都不能屈服。这种情况在图片中如此，在真实生活中更是如此。美国著名发明家托马斯·爱迪生就是最好的例子。经历过多次失败和挫折之后，爱迪生终于发明了世界上第一个灯泡，从此照亮了黑暗。从这个例子中，我们可以了解到一个人必须坚持自己的目标，而不是半途而废。另外，毅力对于每一个年轻人的意义，就像维生素 D 对于身体一样，是不可或缺的。现如今，许多年轻人无法应对来自社会各个方面的压力。只有具备坚韧不拔的性格和毅力，他们才能适应现实社会，最终获得成功。

毫无疑问，做事情的时候，不管事情大小，或多或少都会有一些困难。但是，正如一句老话所说，黑暗中总有一线光明。显然，任何人想要取得成功，坚持不懈是唯一的希望之路。因此，只要你坚持一下，成功的光芒就会在你面前显现。

范文

How to choose a suitable course in college **has been increasingly** an issue of college life. (2015 年英语一阅读理解 Part A Text 2) **The image that best represents the current phenomenon is the stereotypical cartoon scene of a college student facing various optional courses and wondering which course he should take, the easy one with low standards or the difficult one laying great emphasis on innovation and advanced knowledge.** (2010 年英语二阅读理解 Part A Text 2)

I would like to put forward my perspective that those courses focusing on innovative thinking can bring us more benefits. To begin with, although a large number of graduates have passed thousands of exams and successfully obtained a college diploma, they failed to find a satisfying job in the end due to lack of innovative thinking. **Another factor may be that** the ultimate purpose of learning does not merely lie in passing exams, but the real improvement and development of ourselves. (2017 年英语一阅读理解 Part A Text 1) Therefore, we should not be afraid of the challenge of taking up the difficult courses to update our knowledge.

From my perspective, every student should be educated to have the awareness that advanced knowledge, rather than the score or the degree, can ensure us to promote the development of society. Meanwhile, **to** cultivate the creative and innovative thinking ability, we have to **clear another major hurdle**: laziness, and dare to challenge ourselves by taking innovative courses with advanced knowledge. (2017 年英语二阅读理解 Part B)

译文

如何选择一门合适的课程已经日渐成为大学生活的一个问题。最能代表当前现象的是一幅卡通漫画：面对各种各样的选修课，一名大学生在考虑他到底应该选修哪门课，是选择要求低的简单课程，还是选择更注重创新和前沿知识的、难度大的课程。

我想要提出我的观点，那就是注重创新思维的课程会带给我们更多的益处。首先，虽然众多毕业生通过了成千上万次的考试，并且成功拿到了大学文凭，但是由于缺乏创新性思维，他们最终没有找到满意的工作。另一个原因是学习的终极目的不仅仅是为了通过考试，而是真正的自我提升和发展。因此，为了更新我们的知识，我们不应该害怕学习难度大的课程。

在我看来，每个学生都应该被教育要意识到是先进的知识，而不是分数和学历，才能够确保我们推动社会的发展。同时，为了培养创造和创新的思维能力，我们必须清除另一个主要障碍：懒惰，并且勇敢地通过选择有创新、有新知的课程来挑战自我。

“有书”与“读书”

范文

The cartoons above lively depict a scene in which, looking at the books on the bookshelf and feeling satisfied, a boy doesn't read any book at all. On the contrary, sitting in front of the desk, the other boy is planning to read twenty books this year. **It's all deliciously ironic when you consider that** one, possessing so many books, never reads. (2006 年英语一阅读理解 Part A Text 2)

The purpose of these two pictures is to show us that actions speak louder than words. **The reason** why we lay so much emphasis on the value of action **is largely because of** the possible failure brought by ambition without action, and **it is also because of** the fact that taking action, rather than just thinking of something, is extremely crucial to those who undertake great deeds. (2013 年英语二阅读理解 Part A Text 1) The movie titled *The Pursuit of Happyness* **exemplifies** what action can help people to achieve. (2004 年英语一阅读理解 Part A Text 4) Were it not for the spirit of taking action, Chris, a single father who raised his little son by

himself in the movie, would fail to protect his son, conquer so many obstacles he encounters in life and head to a happy ending.

I strongly insist that **it is** action, rather than ambition, **that** helps people cope with challenges and turn dreams into reality. (2006 年英语一阅读理解 Part A Text 2) **An old saying has it that** a thousand words will not leave so deep an impression as a deed. (2013 年英语一阅读理解 Part A Text 2)

译文

以上两幅漫画生动地描绘了一个场景：一个男孩看着书架上的书，充满了满足感，却一本书也不读。相反，坐在桌前的另一个男孩计划今年读 20 本书。想到一个拥有很多书却从来不读的人，实在是太有讽刺意味了。

这两幅图画的目的就是为了向我们说明行动胜于语言。我们之所以如此重视行动的价值，在很大程度上是因为只有宏图大志而没有行动很可能会失败，同时也因为这样一个事实，即采取行动，而非只是有想法，对于那些做大事的人是极其重要的。电影《当幸福来敲门》例证了行动力能帮助人们实现什么。影片中这位独自抚养儿子的单亲父亲克里斯，如果没有采取行动的精神，他不可能保护他的儿子，战胜生活中遇到的如此多的困难，并最终走向幸福的结局。

我坚信正是行动，而不是雄心壮志，能帮助人们应对挑战，把梦想变为现实。有句老话是这样讲的，千言万语抵不上一次行动。

某高校 2013 年和 2018 年本科毕业生去向统计

范文

Among the popular issues **facing** the graduating students **is one mentioned** in the bar chart: What would you do after graduation? (2018 年英语一阅读理解 Part A Text 1) **The most glaring** feature of the chart, **as it is presented here, is that** the percentage of students choosing to find a job decreased from 68.1% in 2013 to 60.7% in 2018. (2012 年英语一阅读理解 Part A Text 1) Compared with this trend, the percentage of those who are willing to pursue further education increased from 26.3% to 34%. Meanwhile, the percentage of those who want to start their own businesses remained stable, accounting for the least proportion.

We have at least drawn the point that students in mounting numbers tend to have their further study after graduation. (2010 年英语一阅读理解 Part C) **Studying this topic helps understand why** so many students go on studying, **with** the benefits brought by further education **being a major contributory factor**. (2015 年英语一完形填空) Compared with finding a job after graduation,

continuing to study can broaden their horizons, equip themselves with advanced and innovative knowledge and provide them with more opportunities in the future. Moreover, **the other reason why** more students choose to study after graduation **is that** with the improvement of income and living standards, a growing number of students can afford to pursue further education. (2014 年英语一阅读理解 Part A Text 2)

In sum, **even the number of** students who seek a job after graduation is still high, **there are signs that the predominance of** education **may** continue **within the foreseeable future**. (2017 年英语一阅读理解 Part C) Taking into account all the above factors, I, as to myself, can predict that there will be an increase in choosing to further education after graduation in the future.

译文

在应届毕业生们面临的热门问题中，这个柱状图提到了其中一个：毕业后你会做什么？如图所示，这个图表最显著的特点是：选择就业的毕业生百分比从 2013 年的 68.1% 下降到 2018 年的 60.7%，和这个趋势相比，愿意继续深造的学生人数百分比从 26.3% 上升到了 34%。同时，想要创业的人数百分比保持稳定，占据最小的比例。

我们至少可以得出这样的观点：越来越多的学生倾向于毕业后继续深造。研究这个话题有助于理解为什么这么多学生选择继续深造，其中继续深造带来的好处是一个重要的促成因素。与毕业后工作相比，继续深造可以开阔他们的视野，用先进和创新的知识武装自己，为他们将来提供更多的机会。此外，更多学生选择深造的另一个原因是：随着收入和生活水平的提高，越来越多的学生能够负担得起继续深造的费用。

总而言之，即使毕业后找工作的人数仍然不少，但是有迹象表明，在可预见的将来，教育的优势仍将持续。考虑到上述所有因素，我个人可以预见，未来毕业之后选择继续接受教育的人数会呈现上升趋势。

2017 年某市消费者选择餐厅时的关注因素

范文

Recently, the factors about why people choose a restaurant have become a hot topic discussed by people in all walks of life. As is displayed in the pie chart, the number of people who choose a restaurant according to its features takes up 36.3%, the largest proportion in the pie chart, of the total number of consumers in a city in 2017. Meanwhile, the number of consumers who prefer a restaurant due to its service, environment and price accounts for 26.8%, 23.8% and 8.4% of the total, respectively. **In the version of the** appearance, the chart is simple,

but after a thorough consideration, we find that **it follows** a complicated social phenomenon. (2012 年英语一阅读理解 Part A Text 3)

It is self-evident that a majority of people tend to go to a restaurant with special features and good service. Why does this phenomenon appear? **There are many reasons for this. One is** that with the improvement of income and living standards, a growing number of people can afford to have meals in a special restaurant offering good service without considering the price. **The other reason why** more people choose to go to such restaurants **is** that compared with traditional restaurants, those with attractive features and excellent service not only provide customers with various delicious food, but also relaxing and cozy environment. (2014 年英语一阅读理解 Part A Text 2)

With due consideration of all these contributors, we can see that **the trend is remarkable. The pace of change in** people's choice of restaurant **appears to be speeding up.** (2018 年英语二阅读理解 Part A Text 2) Hence, I can predict that a restaurant with special features, good service and relaxing environment must become a priority for more consumers in the future.

译文

最近,人们选择一家餐厅就餐的原因成为各行各业人士讨论的热门话题。如这个饼状图所示,在 2017 年某个城市的消费者中,由于餐厅特色而选择餐厅的人数占 36.3%,占了这个饼状图中的最大比例。同时,因为餐厅的服务、环境和价格而对餐厅产生偏爱的人数分别占 26.8%, 23.8% 和 8.4%。从表面看,这幅图表很简单,但是在一番深思后,我们会发现它背后隐含着一个复杂的社会现象。

很显然,大部分人更倾向于去有特色、提供优质服务的餐厅。为什么会出现这个现象呢?有很多原因。其中一个随着收入和生活水平的提升,越来越多的人去得起有特色、服务好的餐厅用餐,而不需要考虑价格。更多人选择去这样的餐厅的另一个原因是,与传统餐厅相比,那些拥有吸引人的特

色和优质服务的餐厅不仅为顾客提供各种美味的食物，而且还为顾客提供轻松、舒适的环境。

考虑到所有的因素之后，我们可以看出这个趋势是非常明显的。人们在餐厅选择上的改变的节奏看起来正在加速。因此，我可以预测，一个有特色、有良好服务和舒适环境的餐厅必然成为未来更多消费者的首选。

2013 ~ 2015 年我国博物馆数量和参观人数

范文

As is demonstrated in the line chart, the number of museums in China increased from 4165 in 2013 to 4692 in 2015. Meanwhile, **along with** the growth in the number of museums **was the increase in** the number of visitors, rising from 637.8 million to 781.1 million during 2013 and 2015. (2013 年英语二阅读理解 Part A Text 2) Simple as the chart is, the meaning behind it is far-reaching.

Why does this phenomenon appear? The first reason, as far as I am concerned, is that museums **are not just a** place offering us opportunity to increase our knowledge and broaden our horizons. **It is as indispensable to** the spread of history and traditional culture **as water is to the fish**. (2018 年英语二阅读理解 Part A Text 4) In addition, government and the departments concerned provide financial aid for building more museums. Meanwhile, as income increases and living standards improve, a growing number of people can afford to visit museums.

Considering all the factors mentioned above, we cannot have failed to be aware of the fact that the trend is remarkable and more people should be encouraged to visit museums. **Although** the number of visitors is **on a slow rise now**, I can predict that **the number could** go up dramatically **in coming years**. (2018 年英语二阅读理解 Part A Text 2)

译文

正如这个线型图所示,中国博物馆的数量从 2013 年的 4165 家增长到 2015 年的 4692 家。同时,伴随着博物馆数量增长的还有参观博物馆的人数,它从 2013 年的 6.378 亿增长到了 2015 年的 7.811 亿。图表虽然简单,但背后的意义却非常深远。

为什么会这个现象呢?在我看来,第一个原因是博物馆不仅可以给我们提供一个增长知识和开阔眼界的机会,它对历史和传统文化的传播也是不可或缺的,正如水之于鱼一样。另外,政府和相关部门为修建更多的博物

馆提供了财政支持。同时，随着收入的增加和生活水平的提高，越来越多的人能够负担得起参观博物馆的费用。

考虑到上述所有因素之后，我们一定会意识到这个趋势是非常明显的，并且我们应该鼓励更多的人去参观博物馆。虽然现在参观博物馆的人数还处于缓慢上升趋势，但是我可以预测在未来的几年里这个数量可能会急剧上升。
